### **Request**

Dear Freedom of Information Officer,

This is a request submitted under the Freedom of Information Act 2000, by email, on the 19th of July, 2020.

Regarding patents that your organisation does own or has previously owned, as a sole owner or jointly with others, please provide me with:

1. The number of licensing or assignment agreements signed between your organisation and another entity/entities, granting rights to such patents or transferring ownership of such patents, since the year 2000.
2. A list of all licensing agreements signed between your organisation and other parties on such patents, containing, for each agreement: the name(s) of the party/parties and year of signing, since the year 2000.
3. The annual income from each of these licensing agreements, by year, since the year 2000.
4. A list of all patents that your organisation does own or has previously owned, as a sole owner or jointly with others.

If you estimate that the total work-hours required to satisfy this request would exceed the statutory requirement, I request that you prioritise in the order of points listed above, with #1 first and #4 last.

### **Response**

The Trust does not currently and has not previously owned (solely or jointly) any patents, with this in mind note that further information can not be provided.
