

FOI 335 Adult CMHT Consultants' Contacts, Referrals, & Caseload

Definitions:

Consultant names have been pseudonymised

Caseload - Current allocations to the staff member against a specific team as of 11 Apr 2021. Some service users are assigned to more than one consultant and will be appearing in the figures more than once.

Contacts - Attended contacts with a Consultant where the contact was against an adult CMHT between March 2019 – March 2020.

Referrals - GP referrals between March 2019 – March 2020 referrals are being counted against the Consultant the service user was first assigned to on receipt of referral.
