

FOI 0110/2021 Response

Request

Dear FOI team,

I am writing with a Freedom of Information request regarding reimbursement for mental health inpatient services.

Please provide the average reimbursement per day that you receive from your CCG or NHS England for the specialities that you provide in your trust for the financial year 2020-21, 2019-20, 2018-19. Below is a list of possible specialities that you may provide:

CCG Provision

- Psychiatric Intensive Care Unit (PICU)
- General adult mental health
- Rehabilitation and Recovery
- Neuropsychiatry
- Autism Spectrum Disorder (ASD) speciality units
- General Learning Disability
- Complex Learning Disability (additional diagnosis such as autism)

NHS England Provision

- Forensic Medium Secure Units
- Forensic Low Secure Units
- Forensic Medium Secure Units for People with Learning Disability
- Forensic Low Secure Units for People with Learning Disability
- Personality Disorder
- Child and Adolescent Mental Health Services (CAMHS) Tier 4 Eating Disorders
- Child and Adolescent Mental Health Services (CAMHS) Tier 4

Response

Please see table and note the following:

- Funding for inpatient mental health services is not via 'average reimbursement per occupied bed day (OBD) from either Clinical Commissioning Groups (CCG) or NHS England.
- The Trust receive funding via a block arrangement.
- The Trust has provided in the table below an implied OBD rate based on funding and activity levels – these should therefore not be taken to denote agreed contract rates.

Services	Financial Year 2018/19	Financial Year 2019/20	Financial Year 2020/21
