

FOI 0136/2021 Response

Request

Hi,

Thank you again for providing me with the data.

To make sure I understand and report on the data correctly, I have a follow-up question: does it include leave during the day that's only a few hours or only leave that's at least one day?

Response

Please note the following:

- Question 2 (section 17 leave) includes absences that occur during a day that's only a few hours.
- Question 3 (Overnight leave) only includes leave that is overnight
