

FOI 0141/2021 Response

a) How many public health funerals has your NHS Trust carried out each year for these financial years (April 1st - March 31st): 2019/2020 & 2020/2021? Please give figures relating to the date of funeral, rather than death if possible. Please DO NOT include still births.

b) Please state, out of the above figures, how many of those people were male and how many of those men had next of kin and how many of those men did not have next of kin?

c) Please state, out of the above figures, how many of those people were female and how many of those women had next of kin and how many of those women did not have next of kin?

d) Please state, out of the above figures, how many of those people were aged under 18, aged 18-59 or aged 60+

e) Please state, out of the above figures, how many of those people were cremated, how many were buried in a grave of their own and how many were buried in a shared or communal grave (if that's applicable).

Any queries, please call me on the number below.

Kind regards,

Response

Birmingham and Solihull Mental Health Foundation Trust do not organise, provide financial assistance, or carry out public health funerals for patients who have died in the Trust's care.

Please note that Birmingham City Council or the patient's family members (where applicable) will take the lead in organising and providing financial support for funerals.

With the above in mind, we are unable to respond to your request for information as it is not applicable to this Trust.
