

FOI 0148/2021 Response

Request

Dear Trust FOI Officer,

Thank you for the Trust's response. Unfortunately the response didn't contain the information I was looking for. I will therefore submit a further request at this point.

I would be grateful if you could provide information regarding the following; please confirm that the equipment used in the administration of ECT in clinics governed by the Birmingham and Solihull Mental Health NHS Foundation Trust is a Thymatron System IV machine. If this is not the machine, please provide the name of the machine being used.

Response

Currently the Trust is using Thymatron System IV machine in the administration of ECT.
