

**FOI018/2021 Response**

**Request**

I would like to put in a request of information. The questions are as follows:

Which Risk Management System do you use?

Which version of the system are you currently using?

Have you received an upgrade in the last 18 months?

Do you have a dedicated administrator for your risk management system ? By dedicated we mean more than 75% of their role is to administrate, maintain and develop the system

What is the AfC grade of the dedicated administrator person?

## **Response**

### **Which Risk Management System do you use?**

Birmingham and Solihull Mental Health Foundation Trust currently use Ulysses Safeguard.

### **Which version of the system are you currently using?**

Version 9.8.5.196

### **Have you received an upgrade in the last 18 months?**

Yes

### **Do you have a dedicated administrator for your risk management system ? By dedicated we mean more than 75% of their role is to administrate, maintain and develop the system**

System administration is split between multiple staff, none of whom spend more than 75% of their role administering the system.

### **What is the AfC grade of the dedicated administrator person?**

Not applicable.
