

FOI 0229/2021 Request

- 1. Of your patients currently placed within inpatient mental health rehabilitation wards, how many have been on their current ward for longer than 12 months?**

As of 8th December 2021, 115 patients have been on their current ward for longer than 12 months.

- 2. Of those in answer 1, how many of the patients are:**

i) On wards run by the independent sector

71

ii) On wards run by the NHS

44

iii) On out-of-area placements

71 (All our out of area cohort are currently on independent sector beds)

Please understand an “out-of-area placement” to be where a patient has been admitted to an inpatient mental health rehabilitation ward that does not form part of the usual local network of services.

- 3. Of those in answer 1, what is the longest length of time, in days, a patient has remained on their current ward?**

7,556 days

- 4. Is the patient in answer 3 on a ward run by the NHS or independent sector?**

NHS
