

## FOI 0262/2022 Response

Dear Team

**Thank you for the information. Could you please provide evidence and minutes of meetings your reply is based on? There is also no mention of the secondary service being involved with the review, is that correct?**

Please find enclosed, the requested minutes pertaining to the discussion of the compliance assessment for NICE: CG31 obsessive Compulsive Disorder (OCD) and Body Dysmorphic Disorder (BDD) that took place within BSMHFT Clinical Effectiveness Group on 17 December 2019.

Note that an exemption Section 40 of the Freedom of Information Act 2000 has been applied to the minutes. This therefore means that the minutes have been redacted to remove staff members names as it pertains to personal information.

In regard to the secondary service being involved with the review, please note that during the baseline assessment for NICE: CG31 obsessive Compulsive Disorder (OCD) and Body Dysmorphic Disorder (BDD), the Trust's service partners Birmingham Healthy Minds and Cilantro were involved in the assessment of compliance and its evidencing.
