

FOI 0331/2022 Response

Good morning,

I am writing to you to make a request for information under the Freedom of Information Act (2000).

It is my understanding that Reach Out Provider Collaborative (lead by Birmingham and Solihull NHS Mental Health FT) is one of the provider collaboratives servicing adult low and medium-secure services, as listed here: [NHS England » Live NHS-Led Provider Collaboratives across the country](#)

Can you please provide me with a (both NHS and private) that make up this partnership/collaborative?

Please see below for the requested information:
