Request

To whom it may concern,

Please may you send me details of the Trust's spending:

- a) with private healthcare providers on occupational health services for the Trust's staff and
 - b) on medical treatment for Trust staff delivered by private healthcare providers
- for each of the following financial years: 2021-22; 2020-21; 2019-20; and 2018-19.

Response

Please note that the Trust is unable to provide a break down for private healthcare providers.

This is because the requested information pertains to granular and specific contractual details that if released, may seriously prejudice the interests of the incumbent supplier and any third parties that may wish to bid to supply this service in the future.

The Trust therefore, rely on exemption Section 43 of the Freedom of Information Act 2000 to deny this aspect of your request.

However, the Trust can provide a list of the services contracted for occupational health service and the overall annual spend per financial year. Please see below for this information.
