

FOI055 Response

Request

1) How many referrals were made to all community mental health teams (i.e children and adolescent, working age adult and older people's mental health services) in April 2019?

Response

1) How many referrals were made to all community mental health teams (i.e children and adolescent, working age adult and older people's mental health services) in April 2019?

Please see the table below and note the following,

- The Trust provides adult and older adult community mental health services for patients across Birmingham and Solihull.
- The Trust's Child and Adolescent Mental Health Service (Solar) is a community-based service for children and young people who are residents in the borough of Solihull, go to school or college in the Solihull borough, or have a Solihull GP. The data provided for the Solar service is therefore only applicable to children and young people who are residents in the borough of Solihull.
- For information on children and young people in receipt of community-based Child and Adolescent Mental Health Services in Birmingham, please redirect your request to Forward Thinking Birmingham Service which is hosted by Birmingham Women's and Children's Trust.

| Service | Number of Referrals |
|---------------------------------------|---------------------|
| Adult CMHT | 978 |
| Older Adult CMHT | 318 |
| Solar | 160 |
| Total Number of CMHT Referrals | 1,456 |
