

FOI187 Response

Request

I am writing to make a request for all the information to which I am entitled under the Freedom of Information Act 2000.

Please could I have the names of all the wards and/or departments across the hospital/trust?

If possible, can you provide the contact details for each department?

Response

Please see the attached spreadsheet which outlines all Trust services and note that the information provide is accurate to October 2020.

For each department contact details please refer to the Trust website on the link below which holds the contact details for each Trust service.
