

FOI303 Response

Request

Please can you tell me how many cases of hospital-acquired Covid-19 the trust has had since 1st March 2020 to the present day. Please break this down by probable and definite nosocomial infections if this data is available.

Please state the date the case was discovered, the name of the hospital and the ward/department where the patient was, the outcome for the patient (i.e. recovered, died), and whether any staff were also affected (if so, please state how many and the area of the hospital where they work).

Please also include any information that was shared with Public Health England on these cases.
