Request

Many thanks for your response. As you partly outsource your payroll to NHS SBS, please could you provide the annual cost of this service in 19/20 and the contract start and end dates?

Response

For the financial year 2019/2020 (starting 1st April and ending 31st March) the cost for outsourcing the Trust's payroll to NHS SBS is £327k.

Please note that this contract has now come to an end however, a new contract was initiated in April 2020 and is a 7-year contract.
