Response

Q1. Is your Trust working within an Integrated Care Partnership (ICP)?

From August 2020, the Boards of Birmingham and Solihull Mental Health NHS Foundation Trust, Birmingham and Solihull Clinical Commissioning Groups (CCG) and Birmingham Women's and Children's NHS Foundation Trust have agreed to work together to scope what an integrated care partnership/provider collaborative approach would look like for mental health services across Birmingham and Solihull.

Please note that the works toward this still in progress and no formal ICP or Provider Collaborative exists at present.

Q2. If YES, then please provide answers to the following additional questions:

a) What is the name of the ICP?

As stated in Q1, we have not yet formed a formal ICP – we are currently referring to this potential development as 'Birmingham and Solihull Mental Health Provider Collaborative'.

b) What other organisations are members of the ICP?

As stated above, we have not formed a formal ICP but are working with Birmingham and Solihull CCG and Birmingham Women's and Children's NHS Foundation Trust to scope this.

c) Who at your Trust sits on the ICP Board?
