

**FOI328 Response****Request**

Can you please provide me with the following document?

1. Your Guideline/Treatment Pathway for the pharmacological management of Heart Failure

**Response**

Please note that the Trust is unable to fulfil your request for information, this is because Birmingham and Solihull Mental Health Foundation Trust (BSMHFT) explicitly provide mental health services and is not an acute Trust where physical health services are provided.

To obtain further information on pharmacological management of Heart Failure please redirect your request to an acute Trust.
