

FOI 0166/2021 Response

Request

Dear FOI Request Team,

Please can you reply with an organisational chart including the job titles and Banding of all IT Staff within the organisation.

*Clarification was sought to confirm if the Requester wanted a Trust wide structure chart or one specific to the ICT Team. The Requester has confirmed that they would like the ICT Team's organisational structure chart.

Response

Please find attached the Trust's ICT Team's organisational structure chart and note that for Apprentices there is no banding. This is because their wages are dependent on the national apprentice wage and is not part of agenda for change.
