Statement of main factors taken into account in making the above declaration

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

Risk 1 - Access to beds - An external impact assessment has been completed and the outcome reported in the HSJ (19 June 2017) this highlighted the need for additional beds. CCGs have confirmed that they support, in principle, the establishment of two new wards in Birmingham and have said they are planning to provide extra funding for adult mental health beds. We will be working through the financial arrangements with them

Risk 2 - Funding for CAMHS services - Notice has been served to NHSE who have confirmed they will no longer be funding the service for CAMHs at Larimar, and a closure date agreed with NHSE for 31st August 2017. There are currently two patients remaining, a placement has been found for one and is expected to be imminently

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
