

FOI 0107/2023 Response

Request

I would like to make a Freedom of Information (FOI) Request, requesting a list of all the doctors and consultants working within the Birmingham and Solihull Mental Health NHS Foundation Trust, including their full name and contact email addresses.

Response

Please note that the Trust does not routinely release staff member's personal information for those under a band 8 c role.

Currently, the Trust is unable to readily identify from the data held within the ESR system those at a band 8c or above role without a manual and exhaustive search.

The Trust therefore rely on exemption Section 12 of the Freedom of Information Act 2000 to deny this aspect of your request.
