

FOI 0132/2023 Response

Request

1. Has the trust utilised "Insourcing" with the FY 22/23?
2. What was the insourcing spend by the trust for 22/23?
3. How was Insourcing procured by the trust? Was a particular framework used?
4. Outside of procurement team who is the Senior Officer responsible for Insourcing?

For clarity, 'insourcing' is defined as: "where an NHS organisation sub-contracts medical services/procedures. It differs to locum supply in that the full end to end service is provided, not just staff."
