

**FOI 0134/2023 Response**

**Request**

Total referrals between 01 Apr 2020 - 31 Mar 2023 where the reason for referral was specified as being for dementia assessment.

**Response**

Diagnosis total includes any of the above that received a diagnosis during the time the referral was open. This includes any diagnoses to date if the referral remains open.

It does not include any diagnosis made outside the referral spell.

Total Referrals	13,669
Total Receiving a Dementia Diagnosis	5,543
