

**FOI 0157/2022 Response****Request**

Dear Birmingham & Solihull Mental Health Trust,

Please provide me with an up-to-date Organisational Structure chart for all HR/OD/Workforce middle management including all manager names, contact details and job titles.

**Response**

Please see the attachment and note that the HR/OD/Workforce organisational structure chart has been redacted.

This therefore means that staff members names have been removed from the document as we do not release staff information for those below a band 8c role.
