

FOI 0171/2023 Response

Request

I would be grateful if you could send me a copy of the Trust's Scheme of Delegation setting out the decisions which various groups and individuals are able to make.

***Clarification: The Scheme of Delegation is often an integral part or subset of an organisation's Standing Orders (SOs) and/or Standing Financial Instructions (SFIs).

It is usually produced and administered by an organisation's finance team.

Response

Please find attached the Trust's Standing Financial Instructions which holds details around Scheme of Delegation.
