

FOI 0176/2023 Response

Request

We are just double-checking that we have the correct information stored for the following roles within your organisation. We use this data to ensure we get key pieces of information out to them, for example, event invites, relevant policy, and reports.

Currently we need contact information for the following people:

Phillip Gayle, Chair

Roisin Fallon-Williams, Chief Executive

Steve Forsyth, Interim Chief Nurse

Please can you confirm that these are still the correct people and provide us with their emails? If not, can you provide us with the names, job titles and email addresses of the correct people.
