

## FOI 0182/2022 Response

### Request

I would like to request some information, please?

1. Committed Suicide and attempted suicide
2. Demography (Gender, age, inpatient, section, type of ward)
3. quantity (rates) 10 years period 2012 to 2022

**Clarification from Requester :** I am seeking inpatient hospital mental health patients who have committed suicide and who has attempted suicide (however, did not succeed), please.

And how many inpatient mental health patients have there been from the year 2012 to 2022 who have committed suicide and attempted (separate results), please

### Response

Please see tables below and note the following:

- The data provided is representative of 2012 – October 2022.
- A patient may have multiple incidents if they have attempted suicide more than once.
- To improve reporting of attempted suicides a new question was added to the incident form in Nov 2017 hence the increase in numbers from late 2017.
- The confirmed suicide figure for 2022 is also subject to change following any Inquest coronial verdicts that have not been closed.
