

FOI 0200/2023 Response

Request

To whom it may concern,

I am writing under the Freedom of Information Act with a request for information.

Specifically I would like information regarding work on organ transplantation.

1. Please provide me with the details of collaborations with Chinese hospitals or universities on transplant medicine, research, and training.
2. Please provide this information covering the dates 1/8/2018 to 1/8/2023.
3. In providing this information please give the start and end dates of any collaborations, the nature of the collaboration (for example doctor exchange, research projects).

Response

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
