

## **FOI 0201/2023 Response**

### **Request**

Specifically I would like information regarding work on organ transplantation.

Please provide me with the details of the countries of destination for any foreign medical staff who have received training in transplant medicine at your trust between 1/8/2018 and 1/8/2023.

In providing this information please give the start and end dates of any training, the type of training (for example doctor exchange, research project), and if it focussed on any particular topic.

### **Response**

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
