

FOI 0232/2023 Response

Request

Please could you provide a list of the names of all companies that currently have contracts with the Birmingham And Solihull Mental Health NHS Foundation Trust?

Although not necessary, if available I would also appreciate the inclusion of further descriptive fields such as Addresses, Telephone numbers or Company Registration data of these companies.

Clarification: I am after a list of names of any companies with which you currently hold expenditure contracts. A list of contracts would also fulfil the request provided they contain the names of the companies.

Regarding which companies/contracts I am after, I am mostly interested in a list of companies that are either healthcare providers/agencies or medical goods suppliers, if that helps bring an otherwise excessive request into reasonable limits.

Response

The procurement function for BSMHFT has moved over externally to BSOL Provider Collaborative and works are taking place to update the contracts list.

This therefore means that the Trust is currently unable to provide the requested information.
