

**FOI 0260/2023 Response**

**Request**

- How many deaths among patients with learning disabilities the trust has recorded in the following years - 2021/22 and 2022 – to current.

- Please can you tell me how many of these deaths among patients with learning disabilities were categorised as Serious Incidents. Please provide the total number for each year.

If possible, please provide the outcome of each of these Serious Incidents

**Response**

Please see table below and note that the following:

- The table provides a list of patients who were categorised as having a learning disability and were under the care of BSMHFT between the requested period of April 2021 – Dec 2022.
- None of the deaths recorded in the table below were categorised as a commissioner reportable serious incident.
