

**FOI 0299/2023 Response**

**Request**

Please provide details of the number of suicides by inpatients under the care of mental health services at your Trust.

Please provide figures for all inpatient suicides recorded by the Trust (including alleged/ suspected suicides, and suicides confirmed by a coroner), for the years 2018/19, 2019/20, 2020/21, 2021/22 and 2022/23.

For each death, please could you provide a summary where possible covering the date of the incident, the site/ ward of the incident, and the gender and age of the patient.

**Response**

Please see the table below and note the following:

- The table lists the number of suicides from April 2018 – March 2023 where the patient was on the caseload of an in-patient team.
- Deaths may not have occurred on Trust premises, for example deaths may have occurred when a patient was on leave.
- All deaths received a suicide determination from the coroner.
