

FOI 0301/2023 Response

Request

Dear Birmingham and Solihull Mental Health NHS Foundation Trust,

I would be most grateful if you would provide me, under the Freedom of Information Act, the following information regarding your facilities management approach:

- Which software solution is used to manage your Premise Assurance Model (if any) and who is your current supplier?

If so,

- What is the start date and duration of the contract?
- Is there an extension clause in the contract and, if so, what is the duration?
- Has a decision been made yet on whether the contract will be extended or renewed?
- What is the annual value of the contract?
- How was the contract procured, e.g., framework/tender?
- Who is the senior officer (outside of procurement) responsible for the contract?

Response

Currently the Trust do not have any software solution in place to manage the Premise Assurance Model.
