Request

I would like to request the following information.

Please can you provide a copy of your tic/Tourette's Syndrome pathway for under 16's registered with a Solihull GP.

Please can you provide a copy of your Functional Neurological Disorder pathway for under 16's registered with a Solihull GP.

Response

The Trust is not commissioned to provide services in relation to Tic/Tourette's Syndrome for individuals under 16's, registered with a Solihull GP.

The Trust is also not commissioned to provide Functional Neurological Disorder services for individuals under 16's, registered with a Solihull GP.

Your request is therefore not applicable to the Trust.
