

FOI 036/2023 Response

Request

Please provide the following data from your mental health trust on children's mental health services for the last 3 calendar years if possible (financial year is fine if data is easier to provide that way):

Spend on tier 4 CAMHS services including:

- Provider
- Year
- Spend in £ value
- Number of placements with this provider
- Out of area placements vs in area placements

Then additionally the spend on any digital children's mental health services including:

- Provider (e.g. IESO, Kuth etc)
- Placements
- Spend in £ value
- Number of children the provider provided their services to

Response

Background Information: Birmingham and Solihull Mental Health NHS Foundation Trust provide a low secure inpatient Child and Adolescent Mental Health Service (CAMHS) and a medium secure inpatient Forensic Child and Adolescent Mental Health Service (FCAMHS) .

The low secure inpatient Child and Adolescent Mental Health service (CAMHS) provides multi-disciplinary assessments, mental health intervention and treatment for patients with mental health difficulties, until their 18th birthday.

The medium secure inpatient Forensic Child and Adolescent Mental Health Service (FCAMHS) provides multi-disciplinary assessments, mental health intervention and treatment for patients with forensic history and complex mental health difficulties, until their 19th birthday.

Both services are nationally commissioned and available to patients across England

Please note, that the Trust do not place patients nor spend with other providers in the provision of a tier 4 CAMHS service.

With the above in mind, there is NIL (0) return for your request for information.
