

## **FOI 053/2022 Request**

### **Request**

We are requesting the name, job title, email address and telephone number for the person(s) holding the role of Patient Safety Specialist with this NHS Trust - we are aware that this is not typically listed within their job title but assigned to them.

We respectfully request email and telephone contact information as we would like to discuss directly with them about speaking at our upcoming Patient Safety Congress event in Manchester. Sharing their expertise and knowledge will prove vital for everyone in the NHS involved in patient safety that is in attendance.

If these contact details cannot be shared, we will be happy to accept just their name(s) and job title(s).

### **Response**

The Trust is unable to disclose the name or contact details of the Patient Safety Specialist/Officer.

This is because we do not routinely release staff members information for those under a band 8c role.

The Trust therefore, rely on exemption Section 40 of the Freedom of Information Act 2000 to deny this aspect of your request.

However, the Trust can confirm that the Trust's Head of Investigation is also the Patient Safety Officer.
