Request

I'm writing to you to obtain information under the Freedom of Information Act 2000.

I wish to know the following:

How much money has been spent by the Trust employing hospital security staff with an SIA licence over the last five years?

Please break the costs down into a yearly budget. I am specifically asking for the amount spent on salaries for staff holding an SIA licence for the years below and the number of staff employed holding an SIA licence for each year.

2018

2019

2020

2021

2022 to date

Please include the number of staff employed currently by your Trust who hold the SIA licence.

I would also like to find out how many assaults took place on NHS staff for each of the years above.

Response

Nil (0) return.

Please note that the Trust do not directly employ such staff.

We purchase these services via our PFI providers Consort, Healthcare Support Erdington, and adhoc smaller Suppliers such as Region Security
