**Request**

**Internal review of FOI 016/2022**

**Response**

The Trust is of firm opinion that the response provided for FOI 016/2022 holds true and accurate.

We have completed several extensive searches which concluded that we do not hold the requested information.

Please note that the PSHO were the organisation that conducted the investigation and was also entirely independent of our Trust's Complaints Department and as such we rightly were not involved, nor had sight of any individual responses.

The Trust respectfully suggest that you redirect your request to the PHSO.
