

FOI 078/2023 Response

Request

I would like to request the following information under the FOIA:

The number of neonatal and stillbirth deaths since January 2013 broken down by month.

If possible, can they please be divided up as stillbirth, early neonatal deaths, late neonatal deaths, and late neonatal deaths.

Response

The Trust do not have a maternity/neonatal service and therefore the return for this request is NIL (0).

Please note that Birmingham and Solihull Mental Health NHS Foundation Trust explicitly provide mental health services and do not provide physical health services like an Acute Trust.
