Response

The Trust currently has in place RLDatix Allocate Software to cover arrangements for job planning and workforce planning.

Contract start and end date for Allocate is December 2020 - December 2024.

In regard to developments in place for Bank Workers, the Trust has in place a range of mandatory training.

Please note that the responsibility to complete the mandatory training is upon each bank worker.

However the Trust do send out reminders and contact bank staff when training has expired, to help encourage and support bank worker's uptake in training.
