

FOI 0324/2023 Response

Request

Thanks so much for this. Apologies, it looks as though the data for children and young people in 2019 is missing. Could you please advise?

Response

Please see the updated response below and accept our apologies as there was an oversight in the data for 2019. This has now been rectified.

Child Young People (CYP)

Treatment begins on first contact so number waiting treatment is also the number awaiting assessment with wait between assessment and treatment defaulting to 0
