

## **FOI 0409/2023 Response**

### **Request**

The information we request is from your most recent data.

NB: All of the following requests are relating to the treatment of adults (16 years +) only.

- 1, Which haematological cancers are treated at your trust?
- 2, How many blood cancer patients are under the care of your trust?
- 3, Total number of haematological Clinical Nurse Specialists are in the trust?
- 4, Total number of leukaemia specific CNS's are in the trust?  
If you do have leukaemia specific CNS's in the trust, how many leukaemia patients are there per leukaemia CNS's?  
Do have myeloid and lymphoid specific CNS's and if so, how many of each?
- 5, Are haematological/ blood cancer CNS's required to undertake normal ward duties?
- 6, Have you measured patient access to CNS's within the trust? If so, what was the outcome?
- 7, Do you have, or plan to have any funding in place for training more haematology or blood cancer specific CNS's?

Some parts of this request may be easier to answer than others, and should this prove to be the case, we would please ask that you release available data as soon as possible rather than hold up the entire request.

### **Response**

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
