

FOI 0358 2024 Response

I am completing a project looking at the size of NHS trusts with the region. Please could you provide me with the following information if held.

- 1. Please can you confirm if there are any plans for new bedspaces to be created within your trust in the next five years? This can be either proposed at a discussion point or a more formal stage of the decision process. I would like to capture new treatment areas or areas that would offer both day or overnight bed spaces. If so, please could you record the proposed site and an estimated number of additional beds to be added per year.**

By 2027, we anticipate a new 32 bedded unit (2 wards) on our current Trust site.

- 2. Please can you confirm if there are any proposed new theatres planned to be created within your trust in the next five years. Please use the example format highlighted in Q1.**

We do not have any theatres.

Please note that BSMHFT explicitly provide mental health services and do not provide physical health care like an Acute hospital.

- 3. Please can you confirm if any of your current bed spaces or theatres are planned to be moved into a new building or area in the next 5 years. Please use the example format highlighted in Q1**

None currently planned.

- 4. If questions 1-3 have highlighted a response that confirms new facilities, please could you confirm which organisation has been authorised to lead on the work if the project has reached the stage of awarding.**

None at present. Still in the scoping, early design and business case stage.
