

FOI 0385_2024 Response

Request

1. How many patients who were either:

- receiving mental health treatment after being referred to the trust, or:
- on a waiting list for treatment after being referred to mental health services under the trust;

have been involuntarily discharged because they registered with a new GP practice in a different location.

2. How many of the patients contained within (1), if known, were switching to a university health centre, or a GP practice local to their university.

Could I please receive the relevant data from 01/01/2022 up until the date of receipt of this FOI request.

Response

The Trust is unable to provide a response, this is because we do not accurately record the data in the level of detail requested.

Obtaining this data will require a manual and exhaustive search through a large cohort of records, and this exceeds the threshold to complete this task.

The Trust therefore, rely on exemption Section 12 of the Freedom of Information Act 2000 to deny this aspect of your request.
