

FOI 0431/2025 Request

Dear Birmingham and Solihull Mental Health NHS Foundation Trust,

I would like to request under the Freedom of Information Act details on ransomware attacks on your organisation between 2019 and 2024. For the avoidance of doubt, a ransomware attack is a type of cyberattack which prevents an organisation accessing their own files or computer networks after criminals manage to infect the system with malware. These type of attacks involve the criminals demanding payment for a key to restore access to the files.

- 1. In particular, I would like to know the number of ransomware attacks on your organisation between 2019 and 2024.**

NIL (0)

- 2. I would like to know the number of successful attacks on your system.**

NIL (0)

- 3. I would also like to know the cost of these attacks on your organisation, including the amount of ransom or payments made to restore access to your systems.**

NIL (0)

- 4. I would appreciate it if you could break down the figures for each year.**
