

## **FOI 0462 2025 Response**

### **Request**

Good afternoon

I trust you are having a good day. I'd like to submit the below as a formal Freedom of Information Request.

Please could you provide me with the below information for all Lloyds OPD within your trust's control during January 2021 to December 2024. Please could this be returned to me in the form of an excel or CSV file.

- Contractor name
- Contractor Address
- Contractor code / GPHC number (which ever is available)
- Drug name
- Drug strength
- Items of each of the above dispensed
- Quantity of each of the above dispensed
- By month
- Date range January 2021 to December 2024

I would just like to clarify I would like the data to reflect the dispensing month.

The drugs I would like to see specifically are categorised as

- Special
- Special Obtain
- Unlicensed medications

I understand that the data held within the trust may present in a different format to my request. If my requested categorisation (last 3 bullet points) is unavailable, then I am requesting all dispensing data (first 9 bullet points of my request) for each of the Lloyds OPD sites from January 2021 to December 2024.

### **Response**

BSMHFT do not have contracts with Lloyds for OPD services.
