

## **FOI 0499 2025 Response**

### **Request**

I would be most grateful if you could provide me, under the Freedom of Information Act, with annual accounts (also referred to as “annual financial accounts”, “audited accounts”, or “accounts for each financial year”) that have not been published on your Trust’s website. Specifically, I am requesting all unpublished annual accounts from 2001 onwards or, if the Trust and all its predecessor organisations were established later, from inception.

Please note that I’m requesting the annual accounts for your trust and it’s “predecessor organisations”, understood as:

1. Your Trust before it became a foundation trust.
2. Any trusts that were dissolved and subsequently acquired by your Trust.
3. Any trusts that merged to form the current Trust.

For ease of reference, I have also included two examples of full annual accounts:

- A recent annual account publicly available for the Manchester University NHS Foundation Trust.
- An older annual account from Good Hope Hospital NHS Trust (now part of University Hospitals Birmingham NHS Foundation Trust).

Finally, please note that I am requesting the full set of accounts, not the "summary financial statement" that is often included with older annual reports
