We have had 1 PFD since Jan 2024.

XXXX XXXX

The inquest into the death of XXXX XXXX who was stabbed by XXXX XXXX in XXXX on XXXX took place over 2 weeks from XXXX. XXXX also attacked seven other members of the public, some of whom were left with life altering injuries. Conclusion: Unlawful Killing. In XXXX findings of fact the Coroner did not find any issue with the care provided by the CMHT when they attended XXXX at his home on XXXX but XXXX did issue a PFD.

The Coroner had 4 areas where XXXX remained concerned about care and therefore issues a Prevention of Future Deaths report on the following areas:

- Management of release and lack of inter-agency working
- System 1 not having key information accessible on the system.
- Currently no provisions available when someone released at sentence end and high risk.
- West Midlands MAPPA (PDCC role)

The Trust is now following the Governance processes in response to receiving the PFD and is gathering the necessary information to respond. The response is due by 8 May 2024.
