

FOI 0107/2025 Response

Request

Hi,

I would like to submit an FOI request relating to information about patients presenting to Emergency Departments, or Accident and Emergency. The request is as follows:

I request that any data held for presentations to your Trust Emergency Department(s) where the reason for presentation has been due to a chainsaw-related incident.

Please could you share data for the last 10 years for all presentations that are associated with use of a chainsaw.

I understand there are sensitivities in when relating to patients, so if you are able to provide the data as a whole number that doesn't identify any patient, that would be great.

I look forward to hearing from you soon. I am happy to be replied to by email on this address. I have included it here for your benefit too: clegg.bamber@lantra.co.uk

Response

Please note that Birmingham and Solihull Mental Health Foundation Trust explicitly provide mental health services and do not provide physical healthcare like an Acute Trust.

Your request for information is therefore not applicable to the Trust.
