

FOI 0157/2025 Response

Request

Dear FOI Team

Under the Freedom of Information Act 2000, I would like to request the following:

1. A copy of the national Agenda for Change (AfC) job profile used (if any) to evaluate and assign the banding for the post of Band 4 Senior Health Instructor within your organisation.

2. If a national profile was not used, please confirm:

Whether the role was locally evaluated under the AfC Job Matching or Job Evaluation process

The matching outcome or job evaluation score sheet used to assign the current banding

This request relates specifically to roles involving:

Physical health interventions with service users with serious mental illness

Structured exercise provision, assessments, and gym-based health promotion in secure or clinical settings

Response

Please note that we do not have any records associated to the noted Band 4 Senior Health Instructor post.

If you are able to provide additional information, we are more than happy to complete additional checks.
