

FOI 0176/2025 Response

Request

The live trust policy that covers weekly ward review meeting /ward rounds and who can attend in acute mental health wards and psychiatric intensive care wards.

Response

The Trust does not have an explicit weekly ward review meeting /ward rounds policy.

The ward rounds are led by the Ward Consultant and are Multidisciplinary ward team which include Doctors, Nurses , OT Care Coordinator , Social Worker, Discharge Manager, identified Nex of Kin can attend and patients.

It should be noted that ward rounds are designed to be as least evasive as possible, and where necessary and relevant, numbers adjusted so best meets patient's wishes .
